

NPE Summer Reading

Dear Panthers,

All students are challenged to read every day this summer, for at least 15 to 30 minutes.

Suggested summer reading goals for students based on grade levels are:

K-2 - students: 10 books

3-5 - students: 8 chapter books

Students need strong reading skills in order to be successful at school and, later, in the workplace. Research shows that students who read proficiently by the end of third grade are more likely to be successful later in life. Students who fail to meet this milestone falter in the later grades.

Research has found that when children leave the structured environment of the classroom for summer break, many stop reading – and their reading abilities start to slip. Strong readers plateau. Struggling readers fall even farther behind.

Enclosed are 3 options to keep your reading skills sharp this summer! Participate to win an ice cream sundae celebration in September with Mrs. Nadir!

Option 1:

Reading Scavenger Hunt

Reading Log

Option 2:

Reading Choice Board – Complete all activities to win

Reading Log

Option 3:

Summer Bingo – Match 5 in a row (up/down/across/diagonal)

Reading Log
